

FUN WITH FRIENDS

WHAT?

- A 1-hour social skills class led by Speech-Language Pathologists that engage students in themed group activities.
- Each class is designed to provide opportunities for social-pragmatic language development and generalization of skills in a small group setting
- This class will target the following skills: joint attention, understanding social relationships, turn-taking, topic maintenance, greetings, team building, social thinking, conflict resolution and peer-related social competence skills.

WHO?

- Children ages 3 - 6 years old are welcome to join in the fun!
- Groups will be organized based on ages and goals of each child
- 5 Students per group will work with one of our skilled SLPs
